Q3 metrics brief (synthetic)

Prepared for the Q3 board pack. Every figure here is invented for the pitch demo.

Q3 revenue grew in every month of the quarter, with September the strongest month.
Net revenue retention stayed above the board target throughout Q3.
The plan for Q4 is to double down on the self-serve channel and hold headcount flat.

Highlights: revenue 3.4M USD (+11% QoQ); 4,120 signups; churn 2.9%.
